	L5 Computer Games Development	N5 Travel and Tourism	L5 Computer Games Development	N5 Physical Education	
L5 PC Passport			N5 Practical Woodwork		

- In **S5**, all pupils will study **five** subjects. Please select one subject from each column.
- In **S6**, all pupils will study **four** subjects (fifth column is private study), unless studying Advanced Highers, this will be discussed during your course choice appointment.
- Subjects in **bold** have **no final exam** and are assessed through internal assessment.
- Pupils can also take a variety of courses at Dundee and Angus College after discussion with their Pupil Care and Support Teacher.
- Each S5 and S6 pupil must select **two enrichment choices**, each of which will be 2 periods a week. Only the most popular courses will run, so you will be asked to choose 3 reserves. More information can be found on the school website via the QR code.
- All courses are subject to the availability of staff. While every effort will be made to grant a chosen subject, it may become necessary to ask some pupils to choose again, either because a group is too small to be viable, or because a subject is oversubscribed.
- Choices must be submitted to your PCS teacher by **Friday 6th March**.

At the end of which year do you think you will leave school ?	S5	S6
Preferred route e.g. University, College, Job, Apprenticeship		
Preferred job
